### EDUCATION

#### **Bachelor of Information Technology and Systems**

**Feb 2009 – Nov 2015**

Monash University, Caulfield campus (full & part time study)

- Good mix of Distinction and High Distinction marks
- Many Programming units passed
- Completed Industry Experience using CakePHP framework

#### **Dual Diploma of Information Technology**

**Feb 2008 – Nov 2008**

Chisholm Institute of TAFE, Frankston campus

- Majors: Website development & Networking
- Passed with a Distinction average 80%
- Gained entry to university with credits

#### **Dual Certificate 4 in Information Technology**

**Feb 2007 – Nov 2007**

Chisholm institute of TAFE, Frankston campus

- Majors: Website development & Networking
- Passed with High Distinction Averages on both majors 85% +

***ALL OFFICAL TRANSCRIPTS ARE AVAILABLE ON REQUEST.***

### TECHNICAL SKILLS

#### **Languages**

C++, Java, Android JAVA, Objective C, Swift 2, PHP, HTML5, CSS3, JavaScript, Shell Scripting, Apple Script, SQL, Oracle, AWK & SED scripts, Perl, Object Orientated Programming procedures (inheritance, class, object relationship, polymorphism etc.).

#### **Frameworks**

CakePHP 3.0, Laravel 5, jQuery, Arduino sketches, Sencha touch, NodeJS, Gulp, SASS, Bootstrap 3.

#### **Systems**

Windows (XP, 7, 8, 10), Linux (Red Hat, Ubuntu, FreeBSD), Mac OSX and all server Versions of mentioned OS's.

#### **Software**

Dreamweaver CS5, Photoshop CS5, Coda2, Sublime Text2, MS Office (Word, Power Point, Excel, Outlook), MySQL Workbench, Mamp Pro, WAMP, LAMP (by apt-get or other command line installs), Virtual Box, Homestead, Vagrant, composer.

## CORE SKILLS

- Proven team skills used in industry experience unit at university as team leader in 3 large projects I was able to motivate team members, help progress our project through rough patches and gain great marks and reviews from my fellow peers.
- Problem solving tools to overcome any technical problems that present using logical planning, time management and agile development techniques to overcome any and all issues.
- Strong interpersonal communication skills, I find it very easy to communicate with customers and people in general when it comes to technical requests or information. I find that by using some relevant metaphors and references I'm able to communicate the ideas in a way that people can understand no matter the level of technical understanding.

## PROFESSIONAL EXPERIENCE

### Full & Part Time Student

**2007 – Current**

### Coles Express (console Operator)

**2008**

- Customer Service
  - Managing difficult customers
  - Customer complaints
  - Serving customers
  - Giving professional customer support
- Receiving goods
- Store duties
- Cash handling

## EXTRA CURRICULAR ACTIVITIES / HOBBIES

- RC Drone Flying
  - DJI Quad Copter
  - AR Drone 2 Quad Copter
- Learning New programming languages
- Developing useful Arduino Microcontroller hardware
  - Weather station (rain measurement, wind speed)
  - Drone sonic obstacle detection / avoidance
